

EL DIABLO DIP BAR

Constructed of 3/8" plate and 1-1/2" Schedule 80 pipe, The Sorinex El Diablo Dip Bar is the industry leader in rack mounted dip bars. It adds the functionality of modular dip bars to your rack, rig, or Iron Bear™ Storage unit. Attach to the front, rear, inside or outside of the Base Camp, XL Series, Apex, and Dark Horse Racks for variable function and storage. Utilize the Sorinex El Diablo Dip Bar for dips, pull ups, bar work, or grip training. HDPE pads included to protect the rack finish.
